

Assessment of CanBioS Doctoral School doctoral grant applications

Purple inserts are for reviewer only

NAME, FIRSTNAME of the reviewer :
INSTITUTE :

Declaration of conflicts of interest in relation to the applicant or laboratory (tick) :

Current collaborations ☐ Previous collaborations (over 10 years) ☐
Current co-publications ☐ Previous co-publications (more than 10 years) ☐

A. THE CANDIDATE

Name : Jordan DUTEL

Age : 26

Nationality : French

Master 2 or equivalent :

Title, location : "Master 2, Molecular Bio-informatics : Methods and Analysis", Lyon 1, France

Year : 2024-2025

Ranking in the promotion (notes, rank, indicate if session 1 or 2) : For now, session 1 – notes and rank unknown

Location and title of the trainee : Centre de Recherche en Cancérologie de Lyon (CRCL), Lyon,
"Multi-omic Analysis of Transdifferentiation in Rare Breast Tumors Using Spatial Transcriptomics"

Master 1 or equivalent :

Title, location : "Master 1, Molecular Bio-informatics : Methods and Analysis", Lyon 1, France

Year : 2023-2024

Ranking in the promotion (notes, rank, indicate if session 1 or 2) : Session 1 : 13.213, 12/22
Session 2 : 13.816, no rank

Location and title of the trainee : Centre Léon Bérard (CLB), Lyon,
"Study of the genetic and immunological profiles of advanced-stage solid and hematological malignant tumors of all histological types in the ProFiLER cohort"

Licence/ Bachelor's degree ou équivalence :

Title, location : "Licence 3, Genetics and Cellular Biology", Lyon 1, France

Year : 2020-2021

Ranking in the promotion (notes, rank, indicate if session 1 or 2) : Session 1 : 11.763, 39/129
Session 2 : 12,509, 6/76

Location and title of the trainee : No trainee

Indicate if ERASMUS internship or mobility: No ERASMUS

Baccalauréat or equivalent :

Title (general or other) : Scientific Baccalauréat

Year : 2015-2016

Mention : Life Sciences

Other (Breaks, work experience etc...) :

- 2022-2023 : "Master 2, Immunology, Immunopathology, Immunotherapy (3I)", Lyon 1, France
Trainee : Centre de Recherche en Cancérologie de Lyon (CRCL), Lyon, France,
"Investigation of the NF-κB transcription factor subunits in CD4+ T cells and their role in autoimmune disorders and cancer"
- 2021-2022 : "Master 1, Molecular and Cellular Biology (BMC)", Lyon 1, France
Trainee : Centre International de Recherche en Infectiologie (CIRI), Lyon 1, France,
"Design and investigation of a novel RNA vectorization system based on the human hPEG10 protein, originating from an endogenous retrovirus"

CANDIDATE APPRECIATION (in short words followed by criterion A+: Excellent; A: Very Good; B: Good)

Comments :

B. THE HOST TEAM/THESIS DIRECTOR

(Do a team + director overall evaluation for the rating)

HOST TEAM PART*

Title : Integrated Analysis of Cancer Dynamics

Location (Centre): Centre de Recherche en Cancérologie de Lyon (CRCL), Lyon, France

Team Leader's name : Pierre SAINTIGNY

Publications of the most significant host team in the last 5 years with place for supervised students and the director/supervisor :

THESIS DIRECTOR PART**

Name :

Grade (CR, DR, MCU, PR, other) :

Year HDR obtained :

Place of the thesis director in the last 5 years of publications by the host team, with the place of the students supervised and the thesis director :

SYNTHESIS ASSESSMENT HOST TEAM + THESIS DIRECTOR (in short words followed by criterion A+: Excellent; A: Very Good; B: Good)

Comments

***if the project involves 2 host teams, double this section**

****in the case of a project with 2 thesis supervisors, double this section**

C. THESIS SUBJECT

Title : Trajectory analysis and evolutionary drivers of metaplastic breast carcinomas.

Feasibility over 3 years :

Originality, quality :

Comments :

THESIS SUBJECT ASSESSMENT (in short words followed by criterion A+: Excellent; A: Very Good; B: Good)

Comments :

D. OVERALL APPRECIATION OF THE APPLICATION

OVERALL APPRECIATION OF THE APPLICATION (Report A+: Excellent; A: Very Good; B: Good) for the student/laboratory-thesis supervisor/topic sections) :

COMMENTS ON THE DOSSIER AS A WHOLE :

Student to be called for the audition: YES or NO
